

Westminster Public Schools Foundation

Workplace Giving Form

We are excited to share how the Westminster Public Schools Foundation supports our students — and how **you** can make a difference!

What We Do

- **Raise funds** to support Westminster Public Schools (WPS) students through scholarships, emergency assistance, and funding for classroom and school-wide projects.
- **Champion public education** and build strong community partnerships.
- **Drive resources into classrooms** to maximize student potential.

Why Your Support Matters

- **Post-Secondary Initiative:** Many students will need more than a high school diploma to thrive. Your contributions help us provide scholarships exclusively for WPS graduates pursuing higher education or career training.
- **Benevolent Fund:** Staff across the district can request emergency assistance to help students and their families with basic needs such as food, clothing, medical care, and school supplies — because students learn best when their basic needs are met.
- **District Initiatives:** The Foundation funds innovative projects that enhance learning. From musical instruments and drones to virtual reality headsets and equine therapy — your donations bring creativity and opportunity to our classrooms.
