

*Because Education Matters*

## Thank you WPS Employees!

Over the past few months, so many have come together to support our students. One group, WPS employees, has never faltered in their commitment to students. The entire district has continued to put education & kids first! We offer a simple but heartfelt thank you to all the food service staff, bus drivers, administrators, and yes, teachers...those amazing teachers. You are rock STARS!

 BONFIRE

## Doing My (A) Part T-Shirts ~ Westy Strong ~

Encourage social distancing and help **support WPS students** impacted by the COVID virus. Lots of colors and styles. Get yours **TODAY!**

**On Sale Until May 12th!**

## 25 Graduating Seniors will be Awarded \$231,923 Scholarships!

Scholarship interviews were conducted virtually this year. Thank you to all of the community volunteers who were not afraid to take on this technology challenge. The seniors did a great job. Look for our next newsletter highlighting our 25 scholarship recipients.

**Find updates on our current scholars and how they have been impacted by the virus [HERE](#).**

## Annual golf tournament rescheduled for August 18

The Foundation's [annual golf tournament](#) has been rescheduled for August 18. We will follow all public health guidelines and will keep folks updated on any additional changes. We look forward to getting everyone out on the greens. Registration will be open in June.

## TODAY is GIVINGTUESDAY!

Today, people all around the world are coming together to tap into the power of human connection and strengthen communities at the grassroots level. **Will you be one of them?** Many are working nonstop to ensure WPS students have the resources they need during the virus crisis.

Through our Benevolent Fund, we are supporting Westminster students and families with food, basic needs items, and hot spot devices so students can be connected to the internet for at-home learning.

The Foundation is participating in the **#Nonprofit Matching-Fund Initiative** which means your dollars are supplemented by available match funds on both national and statewide levels.
